

The logo features a stylized yellow and orange bird-like icon to the left of the text 'ANABAT' in a large, bold, orange font, with 'EXPRESS' in a smaller, grey font below it, all underlined with a thick black line.

# ANABAT EXPRESS

*The most user-friendly detector on the market*

## Deploy with automatic scheduling at the touch of a button

### Easy to use

Simple interface to set up,  
deploy and download

### Built for the field

Weather resistant  
microphone and  
robust, camouflaged,  
weatherproof case

### GPS

Built-in GPS, not an  
expensive accessory.  
Perfect for automatic  
night and transect mode

### Storage

Convenience of SD cards  
and efficient data storage  
using zero crossing

### Microphones

Omnidirectional and  
directional microphone  
options, to suit your  
recording environment

### Battery-life

Records for 14 -17 nights  
on 4 AA batteries\*, keeping  
the detector lightweight  
and compact
